***Attention Mr. Khoa D. Huynh***

***This letter is in response to the Office Summary Action letter  
I received dated, I believe, 4/10/04. Art Unit 3751, for my  
Application 10/666/698.***

***I responded to these actions with a submission dated 6/1/04  
which included an Abstract, a Brief Description of the Drawing,  
a Detailed Description of the Embodiments, and a new drawing.  
I also included a number of Patent Reference Documents.  
These I sent Express Mail, (# ER 990674095 US) to the Mail Stop  
Missing Parts, Commissioner of Patents P.O. Box 1450, etc., with a  
return receipt requested— which I have not received.***

***I hope this letter is sufficient for the location of the documents so  
that you will be able to continue your deliberations.***

***Yours sincerely,***
